For **seasonal or weekly deals**, please contact the owner of the restaurant directly. You can also contact them through their website. What [User](#) likes about The Indian Gate:

had a great chicken kebab with a fantastic naan. it was not sure that it was prepared on the back because I like to see what happened to my food, but when I got home food, the salat was good and spicy mint was great.

Yoghurt was too sweet for my pleasure. kebab was good and at a reasonable price. [read more](#). What [User](#) doesn't like about The Indian Gate:

we loved eating from this place in when we lived in leicester. we had taken a little while last week during our stay in leicester, the food quality has deteriorated in quality and taste deterioration [read more](#). At The Indian Gate from Blaby it's possible to *taste delicious [vegetarian](#) dishes*, that were made without any animal meat or fish, With original Indian spices, dishes are tasty and freshly prepared.
