[Jayden Carter](#) likes about Anchor Inn:

adore this sweet and traditional small pub in a quiet and picturesque village. eating is always delicious and there is a good choice of options on the menu. the personal seems always happy and attentive, and I find the prices very reasonable. I just have a negatiw, that is that it is not dog friendly! not enough to guarantee a loss of a star.

great place! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and eat. What [Muhammad Smith](#) doesn't like about Anchor Inn:

expects not much of the food here (or expects you to know what a vegan was.) Luckily it was great! a few vegan options on the menu and plus points for vegan cheese on the burger. [read more](#). If you're craving for some **fiery South American culinary arts**, this is the place to be: delicious dishes, prepared with *fish*, [seafood](#) *delicacies*, and *meat*, but also corn, beans, and potatoes are in the menu, Particularly fans of the British cuisine are excited about the extensive selection of traditional dishes and love the typical English cuisine. Look forward to the enjoyment of scrumptious [vegetarian](#) menus, and you can indulge in fine American meals like Burger or Barbecue.
