Great menu, with an incredible amount of imported beers made by different! (many other alcoholic drinks were also available). Service was perfect and the prices were very reasonable! For me, this is a must if you want to eat in Gothenburg! [read more](#). What [User](#) doesn't like about Noba Nordic Gastro:

had a nice selection of beer and a vegan burger. I left the aw early because of the sound-to-noise level. not so different from most places, but too much of them are sensitive to noise. [read more](#). Noba Nordic Gastro from Gothenburg is a suitable bar to **a drink after work**, and sit with friends or alone, and you may look forward to the tasty classic seafood cuisine. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like fries, salads or wedges, Moreover, the menu of this **gastropub** offers a good and especially large variety of beers from the region and the world that are definitely worth a try.
