Took my mother to Sixtyone for her 60th birthday which seemed fitting. The six of us did the tasting menu which came with a glass of champagne (Open Table Offer) and it was absolutely fantastic. Awesome menu and the service was outstanding. The restaurant itself is a very warm and family setting and is very relaxed, lovely restaurant and did not disappoint. I expect big things with it being part of the searcys group... [read more](#). You can use the WiFi of the restaurant free of charge. What [Andy Thomas](#) doesn't like about Sixtyone:

I had lunch at sixty one Restaurant today. I was amazed. The food was excellent and I am still salivating from the experience. Everything was lovely. I had the Salmon and prawn raviolo to start with. Sea Bream with artichoke as the main course, and for dessert I had Braeburn Apple with almond ice cream, accompanied by a Pinot Rose'

The staff were polite, professional, and well trained. They could not do enough for me... [read more](#). Sixtyone from London is a good option for a bar if you want to have a cocktail after work and sit with friends or alone, The *sugar-sweet* desserts of the restaurant also shine not only in the eyes of our little guests. There are also exquisite meals available, typical for Europe, Lovers of the British cuisine are impressed by the extensive selection of traditional meals and enjoy the taste of England.
