Both my husband and myself were feeling slightly out of our depth trying to place our order on the screen. In my and he is A lovely girl called Emma came to help us. She fixed our order up and escorted us to a table away from other people. She was a proper lady and an asset your restaurant. [read more](#). As a customer, you can use the WiFi of the establishment at no extra cost. What [User](#) doesn't like about McDonald's:

The food quality is very consistent but them getting orders wrong is more common than it should be. The interior has that same new ugly vegan look that all other McDonald's locations have now. The self service order machines only take card and not cash which is slightly annoying. [read more](#). Enjoy the delicious dishes and enjoy the spectacular view of the local sights at the establishment, and you can look forward to the delicious classic seafood cuisine. The **burgers of this restaurant** are among the highlights and are usually served with side dishes such as French fries, leaf and cabbage salads or wedges, here they serve a appetizing brunch for breakfast.
