One really good [pizza](#) in is right here. I've tried all of them and all are excellent with highlights for the Home one and the calzone. Fish and tips are good but not the best and the downside is the [Kebab](#) (weak and no flavour at all). [read more](#). What [User](#) doesn't like about 37 Green Italia:

Decent food. Above average pizzas but the fries are the worst so best not to have a meal or fries in general. Kebabs and wraps are not the best either, just good pizzas. [read more](#). In 37 Green Italia in Dublin, they prepare crispy [pizza](#) using a traditional method, served **fresh**.
