Love this cute little arty café. Amazing cakes and drinks, and really friendly owners. Coffee is great, and I have to recommend the hot chocolates, they come in some incredible flavours with all the toppings (personal favourite is salted caramel). I would often stop here...as my little treat after an exam at the next door sixth form; this place got me through A levels! [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather. A journey through Great Britain without getting on a plane is easily possible when it comes to culinary delights: The Shed in Shropshire traditionally shines for instance with **Fish and Chips**, mashed potatoes or roast with Yorkshire Pudding and for dessert a delicious Trifle, the menu also includes delectable [vegetarian](#) recipes. Apart from small snacks, sweet pieces and cakes, there are also cold and hot drinks, here they serve a **appetizing brunch** in the morning.
