The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and have something. What [Emma O](#) doesn't like about Café Africa:

If you like good vegan food, do not go here. We offered feedback and they are argumentative and obstinate. Even the salad was rotten! There are plenty of other delicious vegan options to be found elsewhere in Amersham e.g Twelve Twenty. Café Africa The accomplished Asian fusion cuisine will thrill you, the exquisite mix of traditional dishes and exciting new creations will amaze!, the menu also includes **tasty vegetarian recipes**. As a rule, most dishes are prepared quickly for you and served, Particularly fans of the English cuisine are excited about the extensive variety of traditional dishes and love the typical English cuisine.
