A **comprehensive menu** of McDonald's from Cork covering all 17 menus and drinks can be found here on the card. A recent visit to a McDonald's on Winthrop Street left a family disappointed despite a lack of crowds. The filthy tables, overflowing rubbish bins, and disgusting toilets were just the start of their negative experience. A second visit to a different location brought about more disappointments, with mishandled orders, poor food quality, and unprofessional customer service. Despite friendly staff at both locations, disorganization and poor management seemed to be recurring issues. While one visit did result in a delicious McFlurry and good service, other complications like long wait times, subpar food, and strict entry policies tainted the overall experience.
