Here you will find the [menu](#) of Hillbillys in Cork. At the moment, there are **20** dishes and drinks on the list. The restaurant offers a mixed bag of experiences. While some enjoy the chicken and chips with the delicious Peri-Peri sauce, others are left disappointed by the lack of hygiene standards and slow service. The family pack provides good value for money, but inconsistencies in food quality, such as overly salty cheese, may deter some customers. Overall, the restaurant seems to have its ups and downs, making it a hit or miss dining option for customers.
