A comprehensive [menu](#) of John Graces Fried Chicken from Cork covering all 21 courses and drinks can be found here on the card. John Grace's offers great value with their quarter pounders at 2 for €5. Snack boxes are delicious, although some reviewers found the Breast in a Bun and taco fries to be of poor quality. The staff are friendly, the service is quick, and the prices are lower than larger chain restaurants. However, there are complaints about cleanliness and bathroom facilities. Overall, the restaurant provides tasty food at affordable prices, but it may be best to avoid certain menu items and be cautious of the hygiene of the establishment. Visitors can expect quick service and reasonable prices at this local spot.
