Actually, I love this place big portion, like no sweat big. I have the big Munchie box, there were 4 and we couldn't finish it yet and we're eating a lot. the taste is quite good and the best part is that they are not too salty and the box and the sauce are given separately! that means that even more foods fit in the box! I have this place almost three times a week. read more. What User doesn't like about Summer Inn:
I ordered a Yung-Chow rice, which should have bark meat, pork, huh, a veg carrot, pees and ei. what I got was bark and chicken eggs. the taste was good, but I paid almost 10 eur for it. Apart from that, the place was clean and the staff was really nice and polite. read more.
