A passing visit gave me a friendly welcome from ace staff, swift service and the lamb shank main was delicious, not fatty, really good. Located by a canal with seating on the waterfront side (hence the name). Well worth a visit stars from me. [read more](#). When the weather is pleasant you can also have something outside, and there is free

WiFi. The premises on site are accessible, and therefore no problem for visitors with wheelchairs or physical disabilities. What [Patrick Murphy](#) doesn't like about The Waterside Inn:

Went for lunch here. Sadly did not "enjoy" service as had to download an app, which didn't go well and staff appeared off-hand and preoccupied despite the fact they didn't have to do that much anyway. The comprehensive variety of coffee and tea specialties greatly enhances the value of a visit to The Waterside Inn, and you can look forward to the fine classic [seafood](#) cuisine. Sometimes you may not want to eat a lot, in this case one of the delicious **sandwiches**, a healthy salad or another snack is just right.
