What [Evelyn Fox](#) likes about Dd's Services: Spur of the moment but a great find though initially I did wonder judging from the exterior. Pleasant menu it was like a throw back to the 1980s with 'mother' doing the cooking and somewhat dated furnishings, Nevertheless a pleasant pair of toasted teacakes....As we were in Yorkshire a good showing of various combinations of Yorkshire puddings, gravy etc etc [read more](#). The restaurant also offers the possibility to sit outside and have something in nice weather, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. What [Naomi Marshall](#) doesn't like about Dd's Services:

we services it says on the motorway sign, not so unless you buy a drink etc and they were blocked off when I went, and the outside toilets are for lorry drivers only (door code needed) so if you busting for one pass this place...which when you actually get close looks like a truck stop cafe you see on a backwater road in Romania [read more](#). At Dd's Services in Wakefield, you get a *tasty brunch* in the morning and you can at will indulge, For a snack, the fine sandwiches, small salads and other snacks are suitable. In this restaurant there is also an extensive selection of **coffee and tea specialties** not to forget.
