Hvad [User](#) kan lide ved Olive: Vi havde en hovedret og dessert på denne restaurant. Begge var lækre. Servicen var også fremragende, så alt i alt var det en fantastisk oplevelse. Medbring-selv-vin-konceptet fungerer også særdeles godt, og det er særligt velegnet til studerende. [Læs mere](#). Hvad [User](#) ikke kan lide ved Olive: Maden er god og godt prissat, og konceptet med at medbringe din egen vin er fantastisk. Bordene er for tæt, og stolene er affald. Efter at have prøvet begge steder anbefaler jeg, at du går på tværs af gaden til Le Basilic. Samme koncept samme priser, mindre overfyldt. [Læs mere](#). Hvis du har lyst til **desserter**, kan Olive med sine magiske desserter sikkert hjælpe, dette restaurant serverer dog også retter typisk for Europa. Yderligere tilbyder man dig **fine skaldyrs måltider**, menuen inkluderer også *fine vegetariske serveringer*.
