I love freshii and am so glad that they are open in galway. I like to make my own dishes and have either the bbq or the Teriyaki sauce. everything is clearly marked as vegan. [read more](#). You can use the WLAN of the place free of charge. What [User](#) doesn't like about Freshii:

a good option to eat in the center of the galley. friendly staff. The least it has to me is that they serve you soup in a plastic container, even if it is to consume in the same place the argument they have given me is that it is recyclable. I think they could do a little more for the environment. [read more](#). At Freshii, delicious meals from international cuisine are freshly made for you, The **light and healthy dishes** in the list of specialties also rate among the trendy dishes of the customers. You can also look forward to fine [vegetarian](#) cuisine, The atmosphere also makes the consumption of typical Western dishes and drinks an unforgettable experience.
