What [User](#) likes about Saki: I went in Saki sushi yesterday night, it was my first time in this restaurant I try the volcano roll and King Prawns in tempura amazing! The best sushi in London. I'll come back to try others dishes. I like it. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Saki: Very yummy sushi buffet and although it is super filling it is not truly all you can eat You get orders of the posher meals and orders of sushi. It is truly very filling (I love eating and I was totally stuffed so...it is undoubtedly enough, however it isn't all you can eat. Be sure to read all the rules that are in small print on the buffet menu or you can end up with per person taxation for leaving a piece of sushi... [read more](#). In the Saki from City of London, Westminster, a lot of fresh vegetables, fish, and meat are used to prepare healthy, flavorful Japanese dishes, Especially tasty are also the Maki and delicacies like Inside-Out from this restaurant.
