This place is no longer Macari's, it's an ice cream parlour whose name I forget. Edit after Macari's response: apologies, yes there is a small Macari's take out still there. My Google asked for a review of Macari's after I'd been to Whipped, hence my confusion. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What [User](#) doesn't like about Macari:

a double cheeseburger with chips garlauch diving got chips no burger rank immediately and the staff had difficulty understanding me, talking to the staff finally got it waiting half an hour for burger, which was stone cold busy coworkers who actually speak English and understand a job without transferring to someone who has a little better English [read more](#).
