On this site, you can find the **complete menu** of Oriental Buffet from Shepway. Currently, there are **34** menus and drinks up for grabs. A visit to this restaurant left a mixed feeling. Some diners left extremely disappointed due to bland food, unsatisfactory service, and cleanliness issues. However, other patrons were delighted with the fantastic dining experience, delicious food offerings, and friendly staff. Despite some criticisms about pricing and additional charges for tap water, this establishment seemed to offer good value for money for those who appreciate a wide variety of food options in a casual setting. For some loyal customers, however, a negative experience with the owner may have tarnished their long-standing relationship with the restaurant.
