I had the dark chocolate gelato and it was delicious (cone was also vegan). Non-vegan partner said it was even more beautiful than what was still delicious. When I left, there were three vegan flavors, Dark Chocolate, Rhubarb and Strawberry. However, you were not marked so you need to ask. [read more](#). In beautiful weather you can even eat in the outdoor area. What [Sandgroper524](#) doesn't like about Cariad Gelato Ice Cream Parlour: They make superb ice cream and as a local was looking forward to one especially as the queue was short. Five staff behind the counter but only one serving and taking a long timesaver it. Gave up and am disappointed... [read more](#).
