Had been to the Roebuck since before COVID. Glad I went back in. Food was good value, drinks were standard.

Service received by Steph and her team was amazing. We will be coming back. Thanks. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, and there is free WLAN. doesn't like about Roebuck:

10 of us Went for my mums 90 th birthday celebration. My nephew had to send his meal back as it wasn't what he ordered. 2 meals were missed off the order because the member of staff forgot that they were on a second page of her pad The beef on the hanging kebabs was tough. My daughters Lamb hanging kebab fell off on the way to the table and wasn't replace even though the member of staff picked it up and returned it to the kitchen. My grandsons meal wasn't anything like we ordered. We took a birthday cake and they couldn't light the candles as they couldn't find a lighter. Not a pleasant experience and don't think we will be going back. A visit to Roebuck is particularly valuable due to the large range of **coffee and tea specialties**, Forbreakfast a hearty brunch is offered here. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, Lovers of the English cuisine are impressed by the extensive selection of traditional dishes and enjoy the taste of England.
