What [Alison Holmes](#) likes about Cool Beanz:

I'm a regular here to get my morning coffee, occasional bacon roll and even lunch sometimes. Staff are friendly and lovely people. Pretty much all of the cakes, sweet treats and savory food are homemade/made fresh on site. They've recently added more options for other dietary requirements non dairy milks, vegan/gluten free paninis, etc [read more](#). When the weather is good you can also eat outside, And into the accessible rooms also come

visitors with wheelchairs or physiological disabilities. What [Yvonesuffolk](#) doesn't like about Cool Beanz: I wish I could say above average but in all honesty can't. Nice friendly place. Not a lot of choice. Food hot and pleasant. Salad a good idea to dress panini but dry, tired and very small.. Certainly not expensive but am afraid can not think of any other attributes. Obviously popular as a constant que at the till. That could be due to its position next to Ipswich Crown Court where they have no food facilities. [read more](#).
