At the back of the Grand Hotel Tynemouth easily accessible, but not easily seen it nestles behind the hotel. A REAL ALE bar with good choice of ale, pleasant attentive staff and food to boot. [read more](#). When the weather is pleasant you can also eat outside, And into the accessible rooms also come guests with wheelchairs or physiological limitations. What [FoodguruNCL](#) doesn't like about Copperfields:

Very disappointing quality, the most unusual beef sandwich, not sure if processed beef but zero flavour, chips and salad very good. Clean, well presented and excellent service. [read more](#). If you're looking for more thrill than just eating and drinking, you'll find it in this sports bar. Enjoy large and small snacks and meals and watch live football, tennis or Formula 1 games, The **meat** is freshly *grilled* here on an open flame. It goes without saying that a suitable drink completes a meal; therefore this gastropub presents a generous range of delicious and local alcoholic options, be it beer or wine, The fine **sandwiches**, healthy salads and other snacks are also suitable for a snack.
