that's the best [kebab](#) I've ever had. eating is also fresh and super service. I've been here for years and can't recommend it enough. try the donation pack, they will not be disappointed. [read more](#). What [Food1e100](#) doesn't like about Pinar [Kebab](#):

Visited pinars after a long time, so disappointed, ridiculously small portions for the prices they charge. They use small size pitta bread for a regular portion and medium pitta for a large portion, how does that work. It's definitely does not compare to either best [kebab](#) or super [kebab](#) in Stoke Newington. Never again. Be advised stay these guys are living of past glory. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks. If you're still pondering, let the smell of freshly baked flatbread or the scrumptious, sticky temptation of fresh baklava convince you - the **Middle East** is without a doubt closer than you think, In addition to that, the visitors of the local can also consume typical menus from Turkey - from Sucuk to different Kebabs and even sticky-sweet desserts.
