A **comprehensive menu** of Kokoro Sushi And Bento from Guildford covering all **31** courses and drinks can be found here on the food list. Kokoro Sushi and Bento, a recent addition to Guildford's dining scene, offers an array of [sushi](#) and Japanese-inspired dishes. While the generous portions and fresh ingredients garner praise, customer service appears to be a significant drawback. Reports of rude staff interactions and poor handling of takeaway orders raise concerns about management's approach to customer care. Some diners have experienced health issues linked to food quality, hinting at potential hygiene problems. Though its location is convenient for a quick bite, these persistent issues may overshadow the restaurant's culinary appeal, leaving customers hesitant to return.
