On this website, you can find the **complete [menu](#) of Uphill Wharf Cafe** from North Somerset. Currently, there are **24** meals and drinks up for grabs. Tucked away in a charming spot, this dog-friendly café offers a mix of experiences, especially for brunch and breakfast enthusiasts. Guests appreciate the lively atmosphere and well-presented dishes made from fresh ingredients, although some have noted inconsistencies in portion sizes and menu items—like bread instead of toast. While the service is generally friendly and efficient, a lack of control over noise levels from barking dogs can detract from the ambiance. Prices are considered high for the area, but the quality of food, especially with generous portions and delightful desserts, often makes up for it. Outdoor seating adds to its appeal, making it a great pitstop after a seaside stroll.
