The restaurant from Brugge Centrum offers 15 different meals and drinks on [the menu](#) at an average price of \$16.1. What [User](#) likes about T Dreveken:

That's a great find! It can be part of the tourist area in Brugge, but you can still feel the "authentic" experience. The food was mainly her croquettes (must try!) and we also have the best channel view... The service was finally excellent! [read more](#). What [User](#) doesn't like about T Dreveken:

They charged my wife and I extra 3 euros for using an extra knife and fork !!! Since we shared the food. The manager said they have to wash the fork and knife and it costs them money. Very rude. When I asked politely why there was extra 3 euros in the receipt. He said yeah it is free to ask, and now you know why. So unprofessional and impolite. And the food was expensive too and not that good. [read more](#). If you crave for **sweet dishes**, T Dreveken with its **fine desserts** can easily make an end of it, You can also unwind at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks.
