Food is great, service is also great. However I've had 2 deliveries both time for 2 doners. And on both orders only 1 small salad was delivered now first time I assumed it was a mistake. 2 doners -2 salads right? I would've thought but no. 2 doners and 1 small salad!! [read more](#). What [clodaghc151](#) doesn't like about Newport Kebab [Pizza](#):

such a shame , this used to be the best in the area, Last few times we were shocked at the prices but would not of minded if the food was up to scratch, firstly the portions were shocking the salad was rank and the chips overdone and cold, staff were rude and abrupt, its really not what you want after working hard all week and fancy a treat. Time to find a new [kebab](#) house. [read more](#). The succulent and fresh **juices** on the drinks menu supremely enhance the dishes in the establishment, The meat is freshly **grilled** here on an open flame. In addition, you can indulge your palate with various excellent meals from the Turkish cuisine, such as chicken [kebab](#) or a spicy lentil or bulgur salad, Don't miss the chance to have the tasty pizza, prepared straight out from the oven in an traditional way.
