The restaurant offers free WLAN for its visitors, Depending on the weather conditions, you can also sit outside and eat and drink. The rooms on site are accessible, and therefore no problem for customers with wheelchairs or physiological limitations. What [User](#) doesn't like about Sports At The Sheraton Skyline:

I have booked this place last minute for my husband birthday and I must say that eating was absolutely fab. my man loved it and my daughter was very impressed by the atmosphere. I would define it. but are they warned that, although I went for the departure, we still paid about for starters and meals without desserts. we also got a bill for the full price that was only adjusted when I told them I had booked the deal w...
