absolutely amazing eating from here tonight. I even called them and told them so! we ordered as take-away and it was really good eating, full of taste and everything was cooked to perfection! the food came and it was so hot (temperature, not seasoned) and fresh. will definitely order again from here! read more. What Mark19911 doesn't like about Village Tandoori: I went there last weekend it's such a shame that there service gone down and very poor and rude the food was ok but took ages to come at our table. The old waiter keeps pushing for orders more and drinks and we hadn't finished but they constantly asked have we done or not. We asked for water but got before just got off to the restaurant. The waiter were careless and didn't bother. Never again read more.
