On this site, you can find the **complete [menu](#) of Craigiefield House** from Midlothian. Currently, there are **36** courses and drinks available. Nestled a few miles outside Edinburgh, The Craigiefield restaurant offers a delightful blend of pub grub and higher-end dishes, marked by attentive service and a recently revamped ambiance. While the food quality is generally praised—particularly the fish tea and hearty family dinners—there are occasional lapses in execution, such as overcooked meats and inaccuracies in order fulfillment. Despite some issues with plate temperatures and table layout leading to dining difficulties, the overall dining experience is enhanced by the friendly staff. With significant room for improvement, particularly in service consistency, the restaurant remains a promising spot for a memorable meal.
