What [shanah485](#) doesn't like about Noco Kiosk:

Noco's was recommended to me many years ago as selling the 'best coffee in Halifax', but at the time they didn't offer plant based milk. Perhaps the milk wasn't a barista version (which makes all the difference) but the quality of the coffee itself was very poor and tasteless. A visit to Noco Kiosk becomes even more rewarding due to the large diversity of **coffee and tea specialties**, You'll also find tasty bites, cake, simple snacks and chilled refreshments and hot drinks here. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, and you can look forward to authentic **Italian cuisine** with classics like [pizza](#) and pasta.
