On this website, you can find the **complete [menu](https://menuweb.menu) of Royal Cafe** from Braintree. Currently, there are **15** menus and drinks up for grabs. Café Royal has recently garnered attention following its refurbishment, now presenting a mix of traditional offerings and new menu items, albeit with controversial pricing strategies. The once beloved breakfast spot boasts freshly prepared meals, generous portions, and friendly staff, making it a favorite for many. However, issues like cash-only payments, slow service, and some unfortunate ingredient choices have left certain patrons dissatisfied. While the café excels in its breakfast and jacket potato offerings, its newfound pricing structure and service inconsistencies may deter its core clientele. Overall, it remains a popular but polarized dining destination in town.
