[User](#) likes about Taste Of India:

beautiful atmosphere, delicious food and very friendly staff! I also tried the take-away experience, my order was quick ready to eat that was delicious, hot and well packed. [read more](#). In nice weather you can even eat in the outdoor area. What [Natalie C](#) doesn't like about Taste Of India:

We have been coming here for literally decades, the last few times the service and food has been getting slightly worse each time. The last straw was a group family meal out. The food literally took about 90 mins to come and when it arrived it was stone cold, not even slightly warm. We paid the bill but let the waiter know its the worst meal we've ever had and he just shrugged.. Not spending another penny here. [read more](#). The Taste Of India from Islington serves **menus** that you can find all over Europe, On the daily specials there are also several Asian dishes. Customers also appreciate the utilization of typical *Indian spices*, Furthermore, the guests love the inventive combination of different dishes with new and partially experimental products - a good example of successful **Asian Fusion**.
