from here the pizzas were met and missed. we had a medium-sized and extra large (plus other products) and it looked like both had the same amount of toppings. the medium was braming and a decent [pizza](#), but the extra large almost [pizza](#) was pathetic. it tastes ok where there were beats, but they were so thin, not even close to the value that was ok though and tasted good. go to dominos if they want a decent big [pizza](#).
