A comprehensive [menu](#) of Esquire from Tramore covering all 16 meals and drinks can be found here on the food list. This cozy restaurant offers a mix of highs and lows. While the steak special turned out more like a stew and the vegetables had a strange taste, the friendly staff stood out. Some customers experienced disappointing service, including one group being turned away before closing time. On a brighter note, the chowder and John Dory were highlights for one diner, while another raved about the Steak Special. Overall, the venue offers delicious food and a warm atmosphere, but some feel the prices are too steep for what is offered.
