2nd time we've been here whilst doing the NC500 stopped for breakfast and still as good as the first time best breakfast/cafe in the highlands great and friendly service spotlessly clean. As a guest, you can use the WLAN of the place free of charge. The extensive diversity of coffee and tea specialties makes a visit to The Corner Cafe even more worthwhile, here they serve a **diverse brunch** in the morning. In addition to sweet pieces, cakes, and small snacks, we also have **cold and hot drinks**.
