The restaurant from Cardiff offers **122** different *meals and drinks* on [the menu](#) at an average price of £8. What [User](#) doesn't like about The Pancake House:
the server we had was clearly not on food restrictions to know how I found out after what he had recommended for the gluten-free sauce was definitiv not so that it was a very unpleasant the next day. at least the main allergy at the table is not sick? at least the food was good, and it was surprisingly nice to be over a popular pub! [read more](#). For those who want to [a beer after work](#) and hang out with friends, The Pancake House from Cardiff is a good bar, Of course, you also have to try the **scrumptious burgers**, that come with sides like fries, salads, or wedges offered. It goes without saying that a suitable drink completes a meal; therefore this gastropub provides a generous selection of scrumptious and local alcoholic options, be it beer or wine.
