Here you can find the [menu](#) of **Verve Grill** in Solihull. At the moment, there are **25** courses and drinks on the food list. The Verve Grill at the Village Hotel presents a varied menu that, while boasting good standard meals, fails to impress in execution or value. Guests have noted the ambiance is lackluster, and high drink prices detract from the experience. While breakfast lacks quality, the Sunday carvery shines with a diverse selection and exceptional value, offering well-prepared dishes and attentive service. However, the restaurant may not be the first choice for those not staying at the hotel, as nearby options promise better food at similar prices. Overall, it remains a convenient stop but lacks the draw for return visits.
