this place is wide and has everything you could wish from a super market. it is more of a hypermarket to be honest, with fresh food counters, as well as regale and deep cooler full of the usual storage elements. there is also a beauty health department. obviously it is not 100% ethical (can they handle that it is in the possession of amazon and they sell non-vegan objects. but the choice is so huge that you can spend... [read more](#). What [User](#) doesn't like about Whole Foods Market Kensington High St:

I was surprised to find there want a larger selection of organic products. I can only really compare it to the Whole Foods selections they have in Canada. There were, however, LOTS of junky-type foods available. Dangerous to be in there too long. Although they do have three floors, and lots of conventional products, it seems like the store is a matter of Quantity over quality. If it's not organic, I am not interested... [read more](#). Whole Foods Market Kensington High St from West London is a good place for a bar to a cocktail after work and be able to sit with friends or alone, In addition, you'll find sweet delicacies, cake, small snacks and chilled refreshments and hot drinks here. If you decide to come for breakfast, a **tasty brunch** is ready for you, Also, you shouldn't miss out on the crispy and crunchy pizza, traditional freshly baked in a wood oven.
