we were in and try for a few days as this is the only pub in the village, we thought we should try. eating was a great atmosphere when a bit loud to time decent selection of beer. highly recommended. coyi. [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather. What User doesn't like about Blind Fiddler:

I'd looked at their website, which had led me to expect very good food in nice surroundings. We arrived around opening time 12 noon on a Wednesday as I'd read they don't do food Mon or Tues. The pub seemed a bit...run down and shabby, and when we asked about food they said that they were having a new smoker installed, and I got the impression that if we wanted food it was going to be limited and a long wait. They wer... [read more](#). Blind Fiddler from East Hertfordshire is a suitable bar to **have a beer after work**, and sit with friends or alone.
