On this site, you can find the **complete menu** of Orlicafe from Barnet. Currently, there are **21** menus and drinks available. Nestled amid a row of worn-out shops, this café offers a selection of tasty dishes and generous portions, from Israeli breakfasts to Italian pizzas. While the food earns praise for its freshness and flavors, service quality varies, with some customers encountering delays and a lack of basic attentiveness. The decor is basic and can feel chaotic, particularly with staff management. Despite the friendly atmosphere, some find the owner's behavior towards staff uncomfortable. Although there are areas for improvement, including decor and service consistency, the café holds promise for enjoyable takeaway meals, especially for those seeking kosher options.
