if they are on the look for a real vegan junk food spot, uwee is their place! they have a great selection of beyond meat burger and sidean-based fried burger, as well as loaded fries, sides like popcorn huh and mac n cheese, and even churros for dessert. I went with my friend and we shared the big uvee burger, Cluckin' wafer fries and mac N' cheese. the burger was sooo tasty – I love beyond meat, so that always is a... [read more](#). What [User](#) doesn't like about Oowee Vegan:

This place used to be my go to spot for vegan junk food, I would embarrassingly order from here a few times a month. I don't know what's happened but since last summer the food has just plummeted in taste and I never order here anymore. The vegan chicken just tastes awful now and the chips aren't what they used to be. I wonder if this has anything to do with the change in management and staff? No idea! But yeah, ther... [read more](#). Oowee Vegan from North London is popular for its tasty burgers, to which [crispy fries](#), [salads](#) and [other sides](#) are provided, There are also delicious South American cuisine on the menu. Moreover, there are tasty American meals, such as burgers and grilled meat.
