The place offers a wide range of vegan menu items (Burger, Wraps, etc., which are prepared quite quickly (I just waited max. 10 minutes). However, I found the part too small and strongly overpriced for what you get. The packaging/burrito (or whatever it was called) was nothing special, you better go to a nearby tesco and get the same thing for a 1/5 of the price. [read more](#). If you feel like **delicious sweets**, you should visit Vetomeato because they have tasty desserts that will surely satisfy the sweet-tooth in you. The dishes are usually prepared **in the shortest time and fresh** for you. The *Asian fusion cuisine* is also an important part of Vetomeato. Anyone who finds the normal and generally known menus too boring can here approach with a willingness to experiment and try some unexpected combination of ingredients enjoy. Besides, the light and healthy menus on the menu are among the favorite dishes of the guests.
