I visited London and wanted to try an English breakfast. I did it. It was super delicious and the waitresses were super nice. The decor is also beautiful. I also have their food and drinks menu and I will definitely be back a few times to explore all their other mouthwater options. [read more](#). In nice weather you can even have something in the outdoor area. What [User](#) doesn't like about Leadbelly's:

Leadbelly was needed after a real horror day at work Met my hubby and went. Had a meat share platter and fries. All was good till I ordered calamari WHICH came looking beautiful. HOWEVER.....THEY THREW A HANDFUL of salt as it was leaving the kitchen. Inedible.... But still one of my best locals to eat at [read more](#). With the extensive variety of *coffee and tea specialties*, a visit to Leadbelly's becomes even more attractive, and you can try scrumptious American meals like **Burger or Barbecue**. The Asian fusion cuisine is also an important part of Leadbelly's. Anyone who finds the everyday and generally known meals too boring can here approach with a willingness to experiment and try some exciting combination of ingredients taste, You'll find nice South American cuisine also on the menu.
