I love to have a 100% vegan place in such a central location. Great for a quick bite on the go! They also do delicious cakes and nice coffee, plus I like that they always keep a selection of chocolates/bars/drinks/ice creams etc from brands you can't find in other places in Stockholm. [read more](#). In nice weather you can even eat and drink in the outdoor area, And into the accessible rooms also come customers with wheelchairs or physical limitations. It's definitely always an event to be in a typical saloon and to enjoy; to feel like a cowboy for once with a beer and also the **finger food like crispy fries, onion rings or a delicious burger**, For a snack, you can also have the yummy *sandwiches*, healthy salads and other snacks. There are also delicious dishes available, typical for Europe, Of course, you also have to try the delicious burgers, that come with sides like fries, salads, or wedges served.
