Here you will find the [menu](#) of **Smiths Coffee** in Thanet. At the moment, there are **45** dishes and drinks on the list. Nestled in a quaint corner, this charming coffee shop offers standout brews and delightful pastries. However, a striking divide exists between the quality of food and the customer experience. While some rave about delectable menu items like the New Yorker on roasted sourdough and the avocado toast, others lament hard bagels and icy toppings. The atmosphere is marred by unwelcoming and abrasive staff, overshadowing the lovely service provided by a few. Despite mixed reviews, patrons appreciate the fantastic coffee, creating a compelling yet complex dining experience that leaves many contemplating a return visit.
