Amazing food, great service. Cosy place, worth to recommend. Ideal place for dinner for two or staff party : friendly and helpful staff, thank you for helping me to find my phone namaste [read more](#). In pleasant weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Malabar:

20 min to service drinks which we ordered 45 min to take our food order despite asking several times. 1 hour to wait for food which when it arrived was semi cold bland and unappetising Kitchen staff smoke inside kitchen which causes smoke smells to come into the dining area, need to wash clothing and shower after. In short one of the worst meals i have had in the area for a very long time. With *typical Asian spices* tasty traditional courses are prepared in the kitchen of Malabar in London, Dishes are also prepared here, finely and freshly with traditional Indian spices. The **Asian fusion cuisine** is likewise an important part of Malabar. Anyone who finds the usual and generally known dishes too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients eat, the menu also includes delicious vegetarian dishes.
