Enjoyed another visit to the Vishal. We had the mixed grill to start which was delicious as always. Recommended! We loved the naan breads!!! We were waiting a little longer for our mains but we didn't mind. I was a little put off when all of the pilae rice I ordered was piled on my plate. I appreciate our table was full of food but a little off putting. We even managed to get a parking space right out side!! [read more](#). The place also offers the possibility to sit outside and be served in nice weather. In Leicester, traditional meals are prepared in the kitchen of Vishal with typical Asian spices tasty, Menus are also prepared here, finely and freshly with traditional **Indian spices**. The **Asian fusion cuisine** is likewise an important part of Vishal. Anyone who finds the normal and generally known menus too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients taste, the menu also includes *tasty [vegetarian dishes](#)*.
