10 meals for 10 people. Starters were good, poppadoms and pickles also good! The mains,, rice and were all good. Now, the sauce in the curry was quite tasty but we all had around 5 pieces of chicken in each dish about 1/3rd of an inch square! You could hardly see the chicken, we all laughed about it, but thank god this isn't our local Indian as we all agreed for £93 it was rubbish. Curry Pot The **brilliant Asian fusion cuisine** will thrill you, the exquisite mix of familiar flavors and exciting new creations will amaze!, Generally, the meals are prepared fast and fresh for you. Guests also value the application of traditional *Indian spices*, on the daily specials there are also a lot of Asian dishes.
